Range:			M93
Flag:	US		1800 HP , 600hrs
Location:	Marathon, FL, United States	Engines Year:	
		Fuel Cap:	2600 g (9841 l)
		Water Cap:	
		Holding Tank:	
		Staterooms:	3
		Sleeps:	
		Heads:	4
		Price:	4,900,000 USD

Accommodations and Layout

Sleeps 15 between crew, convertible sofas and staterooms. 3 staterooms plus crew area.

Interior furnishings include:

Satin-finished cherrywood throughout

Grohe plumbing fixtures

Sculpted low-pile carpeting (off-white)

Exotic granite countertops

Entering the main salon from the aft deck, note that the main deck is one level to the forward area and offers plenty of light and viewability with opposing sofas offering room to relax and entertain. The port sofa is L-shaped (storage beneath) and can seat 6-7 – the starboard sofa is a convertible and can seat 3-4. The forward starboard salon wall features a built-in lcd television.

Moving forward into a super-sized galley with an island prep center. Note that the flooring is an imported palmwood fitted tongue-and-groove. The countertops are exquisite "Blue Louise" granite.

Forward of the galley is a large U-shaped settee featuring an electric hi-lo table (convertible for sleeping arrangements) and able to seat 7-9. Opposing pantograph doors access the walkaround decks. To port is a dayhead with a lovely 'floating' style sink.

A curved teak and stainless staircase just aft of the dayhead (forward of port salon sofa) leads to the enclosed skylounge. Another staircase forward of the dayhead leads down to the accommodations. Storage abounds in this area, especially beneath the deck.

The master stateroom is aft and features a centerline king-sized bed. Aft of the bed to port is the master bath which has an over-sized stall shower (finished in glass tile and seamless glass doors). To starboard is a walk-in closet with custom shoe racks built-in. Also to starboard is a small couch. To port is a built-in credenza with a vanity. Sliding 'shoji' screens are found on either side with oversized hull-side portholes.

Forward to starboard is a guest stateroom with side-by-side twin berths (converts to a king-sized bed via an insert) outboard drawer, mirrored headboard, reading lights, hanging locker and a private bath with a stall shower.

Forward still through a foyer area (note ample storage beneath) is a VIP stateroom featuring a centerline queen bed, hanging locker, hatch to the foredeck and a large private bath (also finished in glass tiles with a seamless glass stall shower).

The skylounge/helm features a centerline Stidd helm chair, a settee for two to starboard of helm (facing forward). Aft of the helm is a wetbar to port with a double sofa (convertible) and an L-shaped sofa (seating 6) to port. A hinged-aft door accesses the boat deck and stairway to the aft deck.

The crew area is access via a stairwell located in the starboard aft salon, or from the cockpit door. The captain's stateroom offers a single berth and the crew stateroom features two over-under single berths. These share a bath on the starboard side with a stall shower. Flooring is Amtico teak/holly and paneling is maple mica (for longevity to a damp environment). Entrance from aft deck or salon. A workbench with drawers, rod and B/C storage is concealed in the lazarette area.

Galley

Plenty of storage is found with cabinets above and under-counters. Gourmet cooks will certainly appreciate the layout and appliances – indeed the galley is designed to feed large parties.

Subzero fridge and two freezer drawers (to port and forward of skylounge stairs)

Undercounter subzero freezer and fridge drawers (starboard galley and aft)

U-line drink refrigerators/icemaker (aft of skylounge stairs)

U-line wine chiller (to port of galley next to U-line fridge)

U-line drink refrigerators (aft deck, skylounge)

Andy Kniffin CPYB|(954) 292-0629 USA|andy@akyachts.com|www.akyachts.com

Page 3

U-line icemaker (aft deck)
Eskimo ice machine (aft deck to starboard)
Double stainless steel sink and garbage disposal (galley island)
Kitchenaid cooktop (4 burner) and stove
Kitchenaid microwave convection oven
Kitchenaid trash compactor

Prosear IR stainless grill and food warmer (boat deck)

Asko washer and dryer (lower foyer)

Engine Room & Mechanical

The engines are MTU common rail M93's rated at 1800 hp each
Glendinning engine controls with upper deck outlet for remote (25' cord)
Dual Racor fuel/water separators with vacuum gauges (main engines and gensets)
Oily water separator
Groco raw water strainers
Reverso oil changing system
Delta-T air intakes and exhausts (temperature controlled, variable speed) and demisters
Seafire FM200 fire suppression system (ER)
Wesmar hydraulic system for stabilizers, windlass's and thrusters with PTO's both main engines
Bow thruster (hydraulic variable speed duo prop)
Stern thruster (hydraulic variable speed duo prop)
(2) Sea Recovery 900pgd watermakers with media filter, auto-flush, UV sterilization and remote panels
Brownies air compressor (for scuba cylinders)
Marine Air chilled water hvac air conditioning (reverse cycle – 24 tons)

Electrical / Lighting System

(2) Kohler 32kw gensets with helm remote stations
Xantrex inverter system (4,000 watts)
Xantrex 1000 watt/ Prosine 24 vdc converter system for electronics
Exterior halogen lighting including courtesy lighting
Interior LED lighting
Navigation lighting
Floodlights (cockpit)
Phase III charger for genset batteries (50 amp)
Phase III battery charger (100 amp)
AGM lifeline batteries (house, main, gensets, electronics)
Glendinning shore power cable reel (port and starboard cockpit – 50 amp service)
Shore power inlets (bow and stern)
Isoboost isolation transformers/voltage boosters (4)

VAC distribution panels (main deck and crew)
VDC distribution panels (skylounge, crew and main deck)
Exterior GFCI outlets (aft deck)
Electric reel outlets (cockpit port and starboard, 24 vdc)
ACR RCL 900 searchlight (remote from helm)

Hull & Deck Equipment

The hull has shallow propeller pockets, with built-in spray rails and is solid FRP layup. Hullsides, decking and the superstructure are all foam-core laminate. The hull and house are “Cook” white gelcoat while all exterior decking is covered with a molded “pyramid” non-skid. The foredeck offers dual storage hatches behind an anchor pulpit. Walkaround decks feature deck rails and fittings (polished 316 stainless steel). Gunwale doors aft and sliding rails forward access the boat from low docks. Windows are tempered safety glass (sides tinted) and frameless w/silicone seams. Forward facing windows in the forward superstructure and the skylounge feature “V-cool” tinting for heat reduction (without night vision loss).

(2) water tanks and holding tank are plastic. Drains, sumps and bilges are connected to a common manifold FRP tube that runs lengthwise down each side and discharges aft under platform. Main exhausts are underwater type w/stern bypasses. Air intakes (ER) and fuel vents are mounted inside on the house inboard of the walkaround decks.

Special note should be made of the high quality , stainless steel Aritex pantograph and sliding doors (main deck) and opening portlights (hull)

The aft deck features a large settee which seats 10 with built-in seating aft , a custom table and portable chairs. An overhead cabinet to port houses a tv. A wet bar forward provides a sink and undercounter storage (granite countertop).

The boat deck aft of the enclosed flybridge offers a grilling station to port and L-shaped seating aft.

The cockpit aft is simply huge! (187 sq ft) A transom door accesses a full-beam swim platform.

Fishing:

Refrigerated cockpit fishboxes (136 usg to port, 208 usg aft)

Storage box cockpit (forward of livewells, holds 9 scuba tanks)

Rod holders (14 sets port/starboard along aft of aft deck settee, 4 sets along port/starboard gunwale, 3 transom all stainless steel with drains)

Removable rod rack (aft cockpit center post)

(2) transom livewells (with lights) plus starboard 100 usg livewell in deck

Tackle center to starboard forward cockpit with a sink and 8 sliding starboard shelves (hold plastic boxes for tackle)

Baitfreezers (aft deck and crew)

Fishing rod storage (crew area in concealed standing rack)

Fresh and saltwater washdown spigots (foredeck and cockpit)

Roller style stainless steel towing fairleads (transom corners)
Stainless steel cleats with hawespipes (3 built-in sets side and foredeck (port and starboard),
1 set stern)
Foredeck sunpad
Muir hydraulic windlass (2) Atlantic 4000 with line gypsies and devil's claw retainers
(2) 100# CRQ type polished stainless steel anchors with chain (300 ft stbd, 50ft plus 300' rode)
Air horn
Switlik 20pp canister liferaft
Marquipt 1500 # davit
13' RIB with 50 hp 4 stroke Yamaha engine (with electronics and cover)
Portable sunshade (boat deck)

Electronics and Entertainment Systems

(4) lcd monitors (helm) (2-19", 2-17")
Concord marine computer system with wireless router for internet
WxWorx weather system
Furuno Navnet 3D system including:
Plotter (Maxsea charting and photo charting)
Radar (72nm 12 kw w 6'open array antenna)
Sounder (50/200hz, 3000 watt)
AIS – class B transceiver
(2) Raymarine ST60 tridata units (depth, speed, temp)
(2) Icom 504 DSC VHF radios (remote cockpit)
Furuno Navpilot 500 autopilot
Newmar hailer/horn
FLIR infared camera
CCTV camera system (can also be displayed on all tv's via crestron system) (ER and aft deck cameras)
Digital cellular amplifier
Panasonic phone/intercom system
KVH HD7 satellite television
KVH FB250 sat telephone
Shipboard systems monitor (helm and crew)

Crestron centralized audio visual system (8 zones, each with individual sat tv receiver, 3 ipod docks)
(2) DVD players (salon – tied into Crestron system)
Surround sound systems for salon and skylounge
Denon 40" hd lcd television – salon
Sharp hd lcd televisions – each stateroom and skylounge
X Box systems (salon, skylounge)
Note that all tv's can display data from navnet navigation system and cctv)
Waterproof lcd tv with remote on aft deck

Remarks

“Andiamo” is the culmination of many years of ingenuity and forward thinking designed to be an ultimate fishing and diving yachtfisherman . She is set up to accommodate large families (note that many of the settees convert to extra sleeping space for a total of 15 persons at any given time). The interior fit and finish is second to none, featuring amenities and style found on much larger yachts. Her electronics and a/v systems are state-of-the-art. Her aft deck is enviable to many modern sportfishing boats with a plethora of tackle space, rod holders, livewells, refrigerated fishboxes, scuba tank storage, electric reel stations, large transom door and dive platform. Indeed, she is fully equipped to provide the ultimate comfort as a true adventure yacht. “Andiamo” is also available for charter in the South Florida and Bahamas.

Dream – Dive – Fish!
