Location:	Florida, United States		

Accommodations

Sleeps 5 in 3 staterooms with two baths. Additional berths in the salon will sleep 4 persons.

Entering from the aft deck, the size of the wide-body salon is uncommon on even larger yachts. The salon offers an open arrangement to the galley with a high bar top (two barstools), opposing beige ultra-leather sofas (one opens to bed, other reclines with footrest), a forward settee to starboard (seats 4 with a hi-lo table) and an entertainment center aft and to port. The salon is well-lit with plenty of windows to the sides (opening) and forward.

Going down a slight set of steps the galley is to port and a room to starboard that is used for storage and an extra freezer (it has a bunk in it and can also be used as a stateroom).

Forward is an inviting VIP stateroom with a centerline, raised bed with storage beneath, drawers, hanging lockers and an attached bath.

Aft of the salon and down 4 steps is a wide-beam aft master stateroom. Experienced yachters know that this is the most ideal location for the master stateroom for space and reduced noise and motion while anchored. The centerline, queen bed faces aft with a mirrored headboard & overhead soffit, reading lights, plenty of drawer and hanging storage, desk with vanity, built-in entertainment center and a private bath with a stall shower to port.

Interior details:

- Warm, honey-colored cherrywood paneling and cabinetry is found throughout the interior

- Countertops are beige Karadon (synthetic similar to Corian)
- Décor is neutral beige with appealing accents and furnishings
- Closets are cedar-wood lined

Interior carpeting is plush off-white pile

Galley

The galley offers spacious U-shaped countertops with plenty of storage and cabinet space. Flooring is laminate Cherrywood.

Norcold Fridge/freezer (full-sized)

Extra freezer in guest room

Broan trash compactor

Sharp Carousel microwave/convection oven

Princess 3 burner cooktop

Conventional oven

Black and Decker coffee maker

Icemaker (aft deck)

Magna propane grill (aft deck – port or starboard mount)

Malber washer/dryer (located by stairs to Master stateroom)

Central vacuum system

Engine Room & Mechanical

The engine room is reach via a convenient hatch in the stairway going to the master stateroom. All equipment is easy to service and reach. Aluminum saddle tanks are outboard port and starboard engines. As with the rest of the boat, the machinery and equipment has been expertly cared for by a knowledgeable owner.

Cummins 450 hp diesel engines (800 hours) with Airseps

Televisions with VCR's (Master and VIP)

Vizeo 26" LCD television (aft deck 2009)

Syrens WiFi amplifier

Remarks

The Carver 466 is noted for an outstanding layout with very desirable features for cruising and living aboard in comfort. Note the huge salon with an open galley, aft master stateroom and VIP forward, with a third room which can be used for storage or a single guest. The hardtop aft deck is spacious and is customized with a cushioned bench seat and wood table commonly found on larger yachts.

Featured options include: Stidd double helm chair, air-conditioned flybridge, tender lift and tender, watermaker, satellite television receiver with lcd tv's, and upgraded navigation electronics.

"Family Business" has spent most of her life in fresh water and since has extensively cruised Florida and the Bahamas. She is in fine condition and expertly cared for by knowledgeable owners.
