Accommodations

This unique, custom-designed motoryacht features an **enclosed flybridge with a spacious "atrium" over the salon area** – lending the feeling of being in a huge yacht. An interior spiral staircase (stainless steel and wood) accesses the flybridge. An ergonomic helm is arrayed to wrap around the helmsman and provide easy access to the controls and navigation equipment. Also on the flybridge, is a sofa to port with a wetbar aft and a **full beam balcony aft** with bench seating.

On the main deck, a well-appointed galley is found to port and up two steps are opposing settees (covered in fine Swedish leather) with hi-lo tables. Forward and down several steps is a large foyer leading to a master stateroom forward and guest staterooms aft -all with separate baths. The interior is beautifully finished with **sat in finished cherrywood** and white vinyl. Door and bath hardware are polished stainless steel. New **beige carpet** has been installed throughout.

Sleeps 7 in 3 cabins. The master stateroom features a centerline queen bed on a raised cherrywood platform with drawers. Closets are found on both sides. The port guest stateroom features a queen bed and the starboard guest stateroom features 3 single berths (outboard side are bunks). Access to the equipment room is through a watertight door in this room. All staterooms are finished in cherrywood and feature hanging closet/drawer spaces.

There are two baths – one in the master stateroom and one shared between the guest staterooms. Both baths feature a stall shower, dark blue corian counter, teak/holly flooring and polished stainless hardware.

Galley

Features a spacious dark blue corian countertop with a double stainless sink. Gloss teak/holly flooring. A slide-out bottle and glass cabinet is at the end of the of the counter.

Garbage disposal (in sink)
Fisher Paykel full-sized fridge with freezer drawers
Fisher Paykel dishwasher
Ceran 4 burner cooktop
Bosch Oven
Panasonic Microwave
U-line icemaker (port end settee)
Drink fridges (flybridge and aft deck)
Propane grill (aft deck – never used)
Spendide washer/dryer (equipment room forward)

Engine Room & Mechanical

Access the engine room from the aft deck. The low hour engines are V-drives with hinging deck access above, and feature underwater exhausts (clean, quiet operation) Another equipment room with the 3 fuel tanks (stainless steel, cross-connected and open to each other for easy fueling) and miscellaneous equipment is forward and behind the starboard guest cabin.

Sidepower bow thruster

Volvo engine controls
Racor fuel/water separators
Hallmark raw water strainers with sea cocks
Hydraulic steering
Jabsco water pressure system
Vaccuflush heads
Portable fire extinguishers (located throughout)
Dripless shaft logs
Rule bilge pumps with high water alarm
Air-conditioning (70,000 btu, reverse cycle, direct expansion – and more than enough for South Florida's tropical heat)

Electrical / Lighting System

Onan 17kw Genset (500 hours)
24 vdc distribution panel (salon)
12/24 vdc distribution panel (flybridge) with dedicated electronics battery
110/220 vac distribution panel (salon)
Isolation transformer (shore power)
50 amp shorepower cable
50 amp/220 vac shorepower inlet with breaker
Cable/telephone inlet
Battery banks (starting, house, electronics)
Mastervolt inverter/charger
Tankwatch monitors (black, grey water)
Halogen interior lighting (salon and aft deck have dimmers)

Navigation lighting
Exterior lighting
Florescent lighting (machinery spaces)
(2) Jabsco remote searchlights (fore and aft)

Hull & Deck Equipment

The hull is painted flag blue while the topside is off-white gelcoat. Wide, walkaround non-skid decks with high stainless steel rails make it easy to get around her. The foredeck features a large sunpad. The aft deck features a large, built-in settee with a portable, hinging teak table. This area and the swim platform is covered in teak (excellent condition). The swim platform features removable stainless hoops when the platform is not in use supporting the tender. Twin gates protect access to the swim platform.

Exterior service includes bottom job (11.08), exterior compound/wax (1.09), exterior teak sand/oil (1.09)

Exterior control station (flybridge aft)
Maxwell 3500 windlass with galvanized chain and anchor (concealed under foredeck) with remote control/counter (helm)
Maxwell aft capstans
Deck hatches (2 large over helm, one over master stateroom)
Portlights (opening type with screens) in each bath and stateroom
Spare propellers
Bennett trim tabs
Davit (concealed in transom)
RIB tender with Yamaha 25 hp/4 stroke engine
Liferaft
Windshield wipers
Shore-water inlet
Hull ladder (stored on top FB)
(2) aft deck extensions and covers

Samsung 20" LCD television (salon)

TV's (port guest and master)

AM/FM/CD players (master and port guest)

Remarks

“Nordic Spirit” features a unique open interior and exciting, modern lines. Tall people will especially appreciate this boat. Few boats of any size feature an expansive aft deck and a balcony with an enclosed flybridge. Note the additional custom top for aft deck shade and rain shield. She compares well to any yacht in this category. She is fully equipped, in excellent condition with low hours and ready to cruise.

For more information or appointments to inspect this fine, used motor yacht; please contact Andy Kniffin CPYB at (954) 889-7330 or andy@akyachts.co
